The Caribbean 24 Open (Runabout), which has been eagerly awaited by the very excited boating community has finally arrived from production. The C24 Open is sought after because she is a classic day boat, with Bertram inspired lines and is truly road-towable, behind the family 4x4 without the need for permits or restrictions, weighing circa 2,750kg, sitting dry on our optional MacKay Road Trailer. The ever popular and classic design of the Caribbean 26 Open (Runabout) has been simply shrunk down, to create the all new Caribbean 24 Open (Runabout). Diesel now available.
